Human nature is a bundle of characteristics, including ways of thinking, feeling, and acting, which humans are said to have naturally. The term is often regarded as capturing what it is to be human, or the essence of humanity. The term is controversial because it is disputed whether or not such an essence exists.

Human Nature, Essay Sample

Our human nature reflects some of God's attributes, although in a limited way. We love because we are made in the image of the God who is love (1 John 4:16). Because we are created in His image, we can be compassionate, faithful, truthful, kind, patient, and just. In us, these attributes are distorted by sin, which also resides in our nature ...
