The story about a sizable theft, almost-perfect murders and vigilante justice, the One Shot novel by "Lee Child" is significantly different than Christopher McQuarrie's Jack Reacher (2012). McQuarrie's screenplay was based on Child's novel, but their similarities satisfy expectation as the book and movie compliment each other.

I've been a fan since the beginning of this series, despite Child's early lack of in depth research and some significant editing problems. In this, Reacher's 9th outing, the newest book, "One Shot", Child serves up more delicious action as Reacher is drawn into a small city incident of what appears to be terrorism.
