We started our online Punjabi bookstore in March' 2018 with limited amount of books. But, the response and support that we have received from our readers over the period of time was overwhelming and that encouraged us to work more passionately. We are continuously adding more books to our website to cater the needs of the reader of all ages.

With some justification, non- Punjabi provinces came to perceive the use of Islam as a wily attempt by the Punjabi-led military-bureaucratic combine to deprive them of a fair share of political and economic power. Non- Punjabi antipathy toward a Punjabi- dominated center often found expression in assertions of regional distinctiveness.”
