Sample questions asked in the 10th edition of Operations Management: The senior management at Davis Watercraft would like to determine if it is possible to improve firm profitability by changing their existing product mix. Currently, the product mix is determined by giving resource priority to the highest contribution margin watercraft.

## **[PDF] Operations Management By Jay Heizer, Barry Render ...**

The Tenth Edition of Operations Management features the latest concepts and applications while preserving the core concepts that have made the text a market leader. Stevenson's careful explanations and approachable format supports students in understanding the important operations management concepts as well as applying tools and methods.
