After deciding that plasma was the best choice for me I ultimately ended up with this Panasonic Viera 42" based on the sale price being offered by Best Buy. With a final price of \$650 I felt the value could not be beat. I bought an off brand mount kit and had the TV mounted and ready to watch within one hour.

Customer Reviews: Panasonic VIERA 42" Class / Plasma ...

The full HD 1080p picture is indeed full HD and is as clear as it could ever be and looks stunning on all 42 inches of the screen. Be sure to play around with the settings and calibrate the picture how you want it. I personally like the "Vivid" video setting for all my inputs, which reminds me, you can set individual video settings for each input.
