Psionics Augmented from the Author First, I want to thank you for checking out this chapter of the Psionics Augmented lineup, that of course being for the soulknife class! ### Psionic Feats—d20PFSRD

There have been multiple Dreamscarred Press releases of the basic psionics rules for Pathfinder. First, there was Psionics Unleashed, which adapted the SRD that Wizards of the Coast released.This was quickly followed by a couple of smaller "Psionics Augmented" releases, and the earliest few got gathered into Psionics Expanded, which adjusted a few central elements and added things like ...

A psionic power is a one-time effect, similar to a spell to the uninformed. Unlike spells, which are cast, psionic powers are manifested to achieve their effect. Every psionic character or creature has a daily supply of power points that can be used to manifest psionic powers that the character has unlocked or discovered.

Psionics Unleashed is a surpassingly valuable hoard to be looted for its treasures. I admire Dreamscarred Press not only for the sweat of their brow and for bringing psionics to Pathfinder, but for their great facility with the Pathfinder rules and issues of balance, clarity, and fun.
