Petter Engines - History & Heritage - Canal World

Hi thanks for a great forum. I am in need of help with a petter AA1 on a genset. The engine will run fine for 5 minutes until hot at which point it will start to detonate (pink). I am sure it is detonation, if I cool the engine by spraying water on it the detonation will gradually stop until hot again. The air cowl is in place and fan seems ok.

Petter Paz1 Engine Manual - Ultimate security course

Were buying a narrowboat based on a very old rivetted iron hull. The engine is a Petter McLaren PD2 which starts promptly and runs virtually smoke-free, if a little noisily (they all did). Do any of you have this engine fitted and what's your experience of it? Any good spares sources? Does anyone ...

### Petter Industrial Engine Data Sheets

The Petter PAZ1 is a small single cylinder diesel engine designed for low speed industrial and marine applications, it was designed and built by the Petter engine company in the UK. It only produces 1.6hp but is a very heavy and long lasting engine, even this 40+ year old model shows little signs of wear.

---

### PLANT PRESERVATION: Petter PAZ1

I've just inherited a generator from a neighbor. Not quite sure make or model, as there is no nomenclature plate visible. It's a V twin air cooled with vent tubes running from a fan shroud to the cylinder heads and generator frame.
