Since the publication of the previous edition of Cultural Anthropology in a Globalizing World two years ago, several major events demand attention, including the earthquake in Haiti and the Gulf oil spill. Thanks to anthropologists who study such events and convey their findings to fellow

academics and the public, we, as faculty, can better teach about culture in an ever-changing world.

World Cultures: A Global

Mosaic fosters an understanding of diverse cultural traditions through an engaging narrative and a strong humanities strand. Regional units use the day-to-day lives of real people as a framework for understanding the importance of each region's geography, history and traditions, economics and daily life, and literature and the arts,

as well as the role of the region in the world today.

Two cultures had a strong

influence on Southeast Asia: (3) and (4). The Indian religions of (5) and (6) spread throughout the region. Southeast Asians developed a unique form of government. Instead of states or nations, Southeast Asia was made up of (7). This system remained in place until the (8) century.
