The Totally Rad Show - Return of the Dapper Men | *Comic Review*
An epic fairy tale that's as vividly imaginative as it is wonderfully drawn, RETURN OF THE DAPPER MEN is a magical treat. Set in a world where children who never age past 11 coexist peacefully with robots, it's a bright, sprawling tale that seems to ramble far from where it started without ever feeling as though it has stumbled even a step out of its way.

Return of The Dapper Men. I loved this comic from the second page, where the art style, colours, language and atmosphere had me falling utterly in love. I liked the whimsy and the sense of motion and posture in the characters as they moved in the world.

Return of the Dapper Men: McCann, Jim, Lee, Janet ...
Return of the Dapper Men was recommended to me twice by two different teens who came into the library. I'm not sure if it was required reading or what drew them both to this graphic novel, but the fact that more than one kid liked it enough to tell me to read it definitely piqued my interest.

Jim McCann (writer) - Wikipedia
Return of The Dapper Men proved to be one of the most imaginative and original sci-fi fantasy graphic novels I have read in years. An instant classic. Jim McCann's fertile imagination transports you to a world of children's dreams and adult sophistication that is rarely seen in todays books.

Writer: Jim McCann Artist: Janet K. Lee Letterer: Dave Langhear Size: 128 pages Price: 24.95 "This is going to be a movie" I can't remember exactly when I thought that while reading Return of the Dapper Men, but I saw it all right there.That always bodes well for a new original graphic novel, and someday, people will know about Dapper Men, because they'll be voiced by Alan Cumming or ...

Return of the Dapper Men - IGN
Return of the Dapper Men is a story that can be compared to countless familiar children's fables and fairy tales, yet it's not quite like anything readers will have experienced before.
