Sterling brilliantly makes you more aware of experiences that your customers have-or don't have-with objects...Shaping Things presents a robust typology of technologies to inspire marketers and provoke innovators into rethinking their market offerings' essential qualities.-Michael Schrage It's the most thought provoking thing I've read all year...I can tell that this is a book I'll return to again and again and get more out of it each time I do.

Shaping Things by Bruce Sterling - Goodreads
The new technoculture's physical advantages in shaping objects make it impregnable. The imperial technoculture can spew its objects and processes abroad, more or less at will. Those who lack that productive capacity are forced into colonial or defensive postures. That's the Line of Empire. I'm therefore inclined to date the advent of MACHINE
