Financial Management Principles and Applications 13th ...
Up until recently, trading strategies that exploit this phenomenon were consistently profitable in the United States and in most developed markets. Similarly, stocks with high earnings momentum outperform stocks with low earnings momentum. This article reviews the momentum literature and discusses some of the explanations for this phenomenon.

Financial Markets and Corporate Strategy David Hillier ...
Titman/Martin presents an integrated approach to both project and enterprise valuation, showing readers the economic realities that today's modern corporations face. This text also goes beyond standard DCF analysis by including additional valuation methods that are commonly used in practice, such as comparables, simulations, and real options.
