About Meiosis:

Understand how traits are inherited Virtual Lab Simulation Join an IVF lab to help Martin and Charlotte have a baby. In this simulation, you will learn how traits are inherited and how meiosis contributes to genetic diversity in the population.

Additionally, the description of the materials of the lab will leave me about 20 minutes; not enough to fully complete the lab. As a result, students will need to resume the lab the following day. Note: This activity can be obtained by searching the Internet according to the phrase "neo sci meiosis simulation".
