Social And Cultural Anthropology

'Social' and 'cultural' anthropology overlap to a considerable extent. There is no hard-and-fast distinction between them, although there are differences of emphasis. Very broadly, the term 'cultural anthropology' relates to an approach – particularly prominent in the US and associated with the work of pioneers such as Franz Boas and Ruth Benedict – which stresses the coherence ...

It is one of the largest anthropology departments in the UK in terms of both staff and research student numbers, offering an exceptional breadth of expertise.

Social and Cultural Anthropology MSc | UCL Graduate ...

As a discipline, anthropology is not only interesting, it is also urgent. Fruitful and meaningful encounters between people of different cultural backgrounds are crucial in the globalised world we live in. Anthropology is the discipline that studies and aims to contribute to such encounters through a deep understanding of their potential, as well as the tensions and clashes that go with them.
