Buying HSPiP, Hansen Solubility Parameters in Practice

Software licensing is a complicated topic, but knowing a little about software licensing can help you make sense of all that fine print. Editor's Note: This article was adapted from an article authored by Chris Peters in March 2009. Take the complexity of technology and stir in the jargon of the legal system and what do you get?

What is Software Licensing? - Definition from Techopedia

[He has] taken one of best treatises on IP contracting and made it even better. David's conversational tone and common sense practical advice allows even a novice to quickly grasp the fundamental principles of IP licensing. The second edition of The Tech Contracts Handbook is a must have for every library."
