Your SANE Program—Step-by-step

It is a step that invites the group to reflect on what the past can teach us about the focus person's gifts and capacities. It chronicles what has and has not worked in the past and what the story so far tells us about things we may need to do differently in the future. This step also gives a sense of the present situation of the focus person.

Hideaway Solutions—STEP 180—Integrated Cabinet Step—

Stressing solutions rather than pathology, clients' strengths and their strategies for past successes rather than their weaknesses or problems, this team utilizes a solution-building approach by discovering and exploring the ways substance abusers heal themselves. The book covers solution-focused therapy one step at a time.

STEP Solutions—Automated Underwriting Platform for Life—

How do I display solutions step by step? For instance, how do I get Matcad to display the cross product of two vectors and show me the final solution in the form (a x b / |a x b |) not in vector column form but as a whole fraction?. I can see a result in matric column form by using the simbolic operator, -> .But the explicit operator doesn't return a numerical solution.
