In Soul Dust, the psychologist Nicholas Humphrey, a leading figure in consciousness research, proposes a startling new theory. Consciousness, he argues, is nothing less than a magical-mystery show that we stage for ourselves inside our own heads. This self-made show lights up the world for us and makes us feel special and transcendent.

Soul Dust: The Magic of Consciousness | The Philosophical ...

“Soul Dust,” Nicholas Humphrey’s new book about consciousness, is seductive — early 1960s, “Mad Men” seductive. His writing is as elegant, and hypnotic, as that cool jazz stacked on the record player. His argument feels as crystalline and bracing as that double martini going down, though you might find yourself a little woozy afterward.
