White papers are data-  
centric, text-heavy  
business documents.

Due to the large  
amount of data and  
research, white papers  
are deep reads and  
tend to have a formal  
tone. Use and Value.

Businesses write white  
papers both to record  
expertise and to  
market themselves.

White papers are  
generally written for an  
audience outside of the  
business.
