"Strong Societies and Weak States: State-Society Relations and State Capabilities in the Third World", (Princeton, NJ: Princeton University Press, 1988).

### **Joel S. Migdal - Wikipedia**

The distribution of social control in society that emerges as a result of this conflict between societies and states is the main determinant of whether states become strong or weak. Levels of state social control are reflected in three indicators: compliance,

participation and legitimation.

### **Strong Societies and Weak States | Princeton University Press**

This book shows how market forces and colonialism created weak states and strong "societies," which the author defines as the melange of social organizations that competes with the state to dictate the rules by which people live. It focuses on Sierra Leone, Israel, Mexico, and India.

### **Strong Societies and Weak States: State-Society Relations ...**

This is the image of the strong state. A second perspective portrays the state as nearly hapless in the swirl of dizzying social changes that have overtaken these societies, changes largely independent of any impetus from the state itself.

### **STRONG STATES, WEAK STATES: POWER AND ACCOMMODATION ...**

Strong Societies and Weak States offers a fresh approach to the study of state-society relations and to the possibilities for economic and political reforms in the third world. In Asia, Africa, and Latin America, state institutions have established a permanent presence among the populations of even the most remote villages.

presence among the populations of even the most remote villages.

### **Strong Society, Weak State | Hoover Institution**

Migdal's Strong Societies and Weak States seeks to explain why states in the developing world often have weak state institutions. He shows that state weakness is often not simply a lack of resources, but rather a strategic response to structural threats to the ruler's power.

### **Strong Societies And Weak States**

Strong Societies and Weak States offers a fresh approach to the study of state-society relations and to the possibilities for economic and political reforms in the third world. In Asia, Africa, and Latin America, state institutions have established a permanent presence among the populations of even the most remote villages.

### **Weak States, Strong Societies: Power and Authority in the ...**

Most of the new threats to U.S. and international security are arising in countries with weak or illegitimate governments and strong societies, presenting very different challenges from those of the strong states that were adversaries in the past. While a traditional foreign policy of relying on state-to-state relations may be effective with strong states, it lacks the information, resources, and agility to penetrate the local scene and influence the direction of events in weak states.

### **Strong Societies and Weak States: State-society Relations ...**

Weak States, Strong Societies analyses the effect of these developments on the new world order, arguing that the framework of 'weak state, strong society' appears even more applicable to the contemporary global landscape than it did during the Cold War.

### **Strong Societies and Weak States: State-Society Relations ...**

Strong societies can be either highly centralised (in state power) or fragmented (across several social organisations). Such conditions can enfeeble the state. Where societies have been web-like and where social control has been fragmented among numerous organisations, states have faced formidable barriers in seeing their policies through.

socially productive public goods. Both weak and strong states create distortions. When the state is excessively strong, the ruler imposes such high taxes that economic activity is sti?ed. When the state is excessively weak, the ruler anticipates that he will not be able to extract rents in the future and underinvests in public goods.
