Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Suzuki Service Engine Soon Light - download.truyenyy.com

So here's the story now. I get off of work hoping the lights stay off and it did but the Service Engine Soon light stays on. Since the other two lights didn't go on,I decided to take it straight to the freeway. I entered the freeway the same way I did going to work in the morning and the car felt more responsive, not so heavy like and had more ...
