eMetric - Don't Have a Unique Access Code?

The State of Texas Assessments of Academic Readiness, commonly referred to as its acronym STAAR, are a series of standardized tests used in Texas public primary and secondary schools to assess a student's achievements and knowledge learned in the grade level. It tests curriculum taught from the Texas Essential Knowledge and Skills, which in turn is taught by public schools. The test used to be developed by Pearson Education every school year, although the most recent contract gave Educational Te
