"That Distant Land: Collected Stories" includes all of Wendell Berry's short stories published up to 2004. It's a remarkable body of work, and it's only the short stories - it doesn't include the novels, the books of poetry or the essays and articles. Maybe I should say what a remarkable writer Wendell Berry is.

Wendell berry, "that distant land" 693 346 In Wendell Berry's short story "That Distant Land," the narrator returns to his rural childhood home to help tend his dying grandfather and gets back in touch not only with the land, but with the work of tobacco farming.

~~That Distant Land: The Collected Stories: Berry, Wendell ...~~

"That Distant Land" is a collection of short fiction by author and advocate Wendell Berry. Originally I was going to write that Berry is an environmentalist, but while that is the case, he's first and foremost a humanist, which is to say that he clearly has a great deal of love in his heart for people, more or less independent of their political or aesthetic beliefs.
