### **News/Events @ Your Library: Staff Book Review: "Watersmeet ...**

Ø Many of the creatures from Watersmeet are familiar from other stories or mythology: fauns, centaurs, the Minotaur, hags, dwarves, fairies, trolls, dragons, the Green Man, naiads, dryads. Design your own creature or adapt one of the ones you know from elsewhere in a new way. You might look at other novels, in books of folklore, or on the web.

### **Centaur's Daughter, by Ellen Jensen Abbott (book review ...**

Watersmeet is a bit slow at the start and a tad long, but man is it worth it! Abisina's tale is unique and imaginative, in the fashion of Lord of the Rings. Centaurs, dwarves, fairies and more light it up brilliantly, and the human characters are delightfully woven in. I really have not read a book this imaginable in a long time.

### **The Keeper: Abbott, Ellen Jensen: Amazon.com.mx: Libros**

The story begun in Watersmeet (my no-spoiler recommendation here) rumbles across the plains and threatens the fragile peace forged by dwarves, fauns, centaurs, and humans. Read the first chapter here courtesy of the author, then ask for The Centaur's Daughter at your local library or independent bookstore (if it's not in stock, they will order it!

### **Amazon.com: The Centaur's Daughter (Watersmeet Book 2 ...**

Heavy-handed moralizing weighs down a generic but competent coming-of-age fantasy. Abisina had thought that the death of the Charach would lead her mother's people, the xenophobic, misogynistic Vranians, to embrace the egalitarian philosophy of Watersmeet, led by her heroic centaur father.

### **THE CENTAUR'S DAUGHTER by Ellen Jensen Abbott | Kirkus Reviews**

This is the third in the Watersmeet series featuring Abisina, a centaur shifting keeper in training. I really like that Absinia has grown and matured during the series. The first book I wanted to smack her, the second book showed her maturing, and in this, the third book, she matures into a leader.

### **Teachers' guides | Ellen Jensen Abbott**

The last book is currently being called The Keeper and will be released fall 2013. Visit the author's blog for up-to-date information on this series. My Rating: 3 stars, it was good enough that I will put the next one on my to-read list but not so good that it gets a top spot. To Sum it up: An entertaining story with a powerful message regarding accepting others for who they are on the inside ...

The Centaur's Daughter (Watersmeet Book 2) - Kindle edition by Abbott, Ellen Jensen. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading The Centaur's Daughter (Watersmeet Book 2).

### **The Keeper by Ellen Jensen Abbott, Paperback | Barnes & Noble®**

Personal Summary: Watersmeet is the first book in a young adult fantasy duology. While packed with dwarves, centaurs, fauns, fairies and more, the story is world building and focuses on discrimination. As an outcast in her village, Abisina is considered to be dirty and part demon. She is treated with a combination of abuse and neglect.
