Walter Camp and the Creation of American Football. The man who turned a muddy scrum into athletic poetry. Walter Camp made the development of football—indeed, its very creation—his lifelong mission.

American Creation - Wikipedia

Roger R. Tamte's Walter Camp and the Creation of American Football will set the record straight. This is a biography of Walter Camp, but it's also a biography of the game of football; the two cannot be separated.

American Recovery and Reinvestment Act of 2009 - Wikipedia

"Destructive Creation is a truly important, impressive, and extraordinary history of the mobilization of the United States' economy during the Second World War, with a number of fascinating implications for our understanding of the interactions between business, politics, and American society. Mark R. Wilson makes a compelling case for placing the relationship between the military and business at the center of how we think about modern American history."—Jason Scott Smith, University of ...
