The Ghosts Of Berlin Confronting

Ladd's approach in dealing with the ghosts of Berlin is to give a history lesson as to the specific areas and neighborhoods within the city limits. In doing this the author deals with the architecture of the city. He explains how certain areas developed and how the architecture of those areas came to be.

Text. Laurie Taylor:
Brian, your book, The
Ghosts of Berlin:

Confronting German
history and the Urban
Landscape, begins with
a fine line, 'Berlin is a
haunted city'.Remind
me of some of the
ghosts that inhabit this
city? Brian Ladd: Berlin
is remarkable in having
the ghosts or bearing
the scars of the 20th
Century because so
