The Means To Win Success Strategies For Business And Politics

I like James Carse's distinction between finite and infinite games. A finite game, like chess, is one that you play for awhile and when somebody wins, you stop. An infinite game, like life, is one where the goal is to be able to keep playing. To win at life means to keep living. Most pursuits [...]

Coined by Nye in the late 1980s, the term "soft power" -- the ability of a country to persuade others to do what it wants without force or coercion -- is now widely invoked in foreign policy debates. This short book reintroduces the idea and argues for its relevance in forming post-September 11 U.S. foreign policy. Nye argues that successful states need both hard and soft power -- the ability ...

Soft Power: The Means to Success in World Politics ...

"What is success? To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch Or a redeemed social condition; to know even one life has ...

8. Success is learning that you sometimes have to say no. Success only comes with a balanced life. Part of balance is learning to say no. Saying no doesn't mean you are selfish; it simply means you have priorities and know what you need to give your attention to at any given time. 9. Success is knowing your life is filled with abundance.
