human evolution | Stages & Timeline | Britannica

There are two books here. The first book, on the origin of new businesses, is a tour de force. The second book, on the evolution of businesses from fledgling businesses to large enterprises, is not as satisfying. I will confine my review to the first book. The author gives us a new perspective on new business formation. He discusses five types: 1.

Evolution of sexual reproduction - Wikipedia

(B) Evolution of the L and S lineages of SARS-CoV-2 viruses. The nucleotide sequence is identical; '-', gap. To determine the evolutionary changes associated with L and S lineages, we examined the genomic alignment of SARS-CoV-2 and other highly related viruses.
