The Oxford History of the British Empire is a five-volume history of the British Empire published by the Oxford University Press in 1998 and 1999. According to the publisher, the series "deals with the interaction of British and non-western societies from the Elizabethan era to the late twentieth century, aiming to provide a balanced treatment of the ruled as well as the rulers, and to

## **The Oxford illustrated history of Britain : Morgan ...**

The aim of the New Oxford History of England is to give an account of the development of the country over time. It is hard to treat that development as just the history which unfolds within the precise boundaries of England, and a mistake to suggest that this implies a neglect of the histories of the Scots, Irish, and Welsh.
