But I really appreciated Craig's Perfect Day Formula, I think it could work for pretty much everybody who is prone to procrastination and laying in. Even if you can't use every single suggestion in the book, there are things we can all do that are better uses of our time than

binging on Netflix or laying in bed hitting snooze 6 or 7 times every morning.

So as soon as The Perfect Day Formula came out, I bought it. And since I've been sick for the past week, I figured there's no better time to study, learn, and reflect on the habits I've slid back into, where I'm headed, and to point myself back in the right direction by creating the best day possible based on the right habits I need to form.

## **The Perfect Day Formula How**

The Perfect Day Formula was truly life changing for me. Not only did I get more done, I opened up more time in my schedule for my family. Using this success system made the rest of the day flow much better. I never got to the end of the day feeling like I hadn't accomplished anything.
