The present volume collects and updates Professor Stones's papers on Arthurian manuscript illustration, one of her continuing passions. These essays explore aspects of the iconography of the romances of Chrétien de Troyes in French verse, the lengthy Lancelot-Grail romance in French prose, and other versions of the chivalrous exploits of King Arthur's knights-the best-sellers of the Middle Ages.

## **(PDF) A Dictionary of Psychology - ResearchGate**

Bad trading psychology is one of the top reasons traders fail. Signs of good psychology include not being emotionally attached to individual trades, not being affected by performance anxiety, focussing on results over a larger number of trades and not putting up positions that are too big to handle.
