People elsewhere in *The Recognitions* look for, and some think they find, similarly liminal states; one might suspect that Gaddis is, in his Statusy way, offering an anatomy of the myths human beings live by. In any event, much of "Mr. Difficult" concerns Franzen's frustration with Gaddis's post-*Recognitions* career.

[Reviews] Status Anxiety, By Alan Jacobs | Harper's Magazine

I love those who can smile in trouble, who can gather strength from distress, and grow brave by reflection. 'Tis the business of little minds to shrink, but they whose heart is firm, and whose conscience approves their conduct, will pursue their principles unto death.

Aban wrote: "this list is not inclusive. There is no any mentioned-work by some writers as Philip Roth." Roth is pretty realist. "Post-modern" is hard to strictly define, but somewhere in the definition, I think, are books that play around with form and go beyond (or at least deviate from) the realist tradition.
