The Sibley Guide To Birds

? Last Updated on April 2, 2020. I'm David Sibley, author and illustrator of the Sibley Guides and other books (and now apps as well) about birds and nature. I've been an avid birdwatcher for most of

my life, with drawing and painting as a way of exploring nature. Simple observation always leads to new ideas and new discoveries, and one of my greatest satisfactions is learning new things ...

The Sibley Guide to Birds by David Allen Sibley

but most of us were taken
aback by the
comprehensive guide we
found in Sibley.
