Overview Gripping, revelatory, and inspirational, The Spiral Staircase is an extraordinary account of an astonishing spiritual journey. In 1962, at age seventeen, Karen Armstrong entered a convent, eager to meet God. After seven brutally unhappy years as a nun, she left her order to pursue English literature at Oxford.

The Spiral Staircase: My Climb out of Darkness by Karen ...

Karen Armstrong's memoir, The Spiral Staircase: My Climb Out of Darkness, is one of these books. If a soul could be said to have emotional strings, then Karen's book resonated with those frequencies in mine, and this made the book a breeze to read.

The Spiral Staircase: My Climb Out of Darkness by Karen ...

Eliot metaphorically climbs a spiral staircase in these poems---turning again and again to what he does not want to see as he slowly makes progress toward the light. In revisiting her spiral climb out of her dark night of the soul, Armstrong gives readers a stunningly poignant account about the nature of spiritual growth.

Amazon.com: The Spiral Staircase: My Climb Out of Darkness ...

In many cultures, a staircase or a ladder is a symbol of ascent from one mental state to a higher one. The spiral staircase symbolizes a major but gradual change of consciousness, and my book traces the pattern of my recovery from the destructive religious experience of the convent to a new kind of spirituality.

The Spiral Staircase : My Climb Out of Darkness by Karen ...

In "The Spiral Staircase: My Climb Out of Darkness," she writes about her adjustment to the world outside the convent and about how she came to be who she is today. This is her second book on the subject ("Beginning the World," published in 1983, is now out of print), and, as she states in her introduction, she considers her first book "a mistake" and not entirely true to what happened in her life.
