~~The Stillborn God by Mark Lilla: 9781400079131 ...~~

As the christening indicates, Lilla believes this fuzzy God to have been a dud, but, paradoxically, one that helped prepare the way for a far more fiery and apocalyptic breed of political theology. This was a theology that expressed itself in totalitarian religions of state, both Nazi and Communist,...

Making us look deeper into our beliefs about religion, politics, and the fate of civilizations, Lilla reminds us of the modern West's unique trajectory and how to remain on it. Illuminating and challenging, *The Stillborn God* is a watershed in the history of ideas.

~~The Stillborn God Analysis - eNotes.com~~

The *Stillborn God* tackles one of the most intrinsically exhilarating and important questions facing man: the question of God and politics. However, its author does not seem to be genuinely alive to that question— or, for that matter, to the complex and different answers given to it over the centuries. As a result, Lilla's argument
