Leica TPS1200 Total Station User Manual - Leica Support ...

The Leica TC1205+ manual (non-motorized) total station is the entry level 5" instrument in the Leica TPS System 1200 line. A precision angle measurement system operates continuously providing instant horizontal and vertical circle readings that are automatically corrected for any “out of level” by a centrally located twin-axis compensator.

Leica 1200 - Station Setup (resection)

All manual total stations benefit from a superior after sales service and support network, enabling you to work reliably with maximum efficiency. Leica Viva TS11 Leica Viva TS11, is the most advanced manual total station with the inclusion of Leica SmartWorx Viva easy-to-use onboard software, imaging and GNSS capability.

LEICA TC1205+ 5" Total Station

Sound like your Throttle Position Sensor (TPS) has an issue. Check the wire leads first and if that is good, replace the TPS. A faulty TPS will give you a hard 1-2 shift and delayed shift on the higher gears at WOT. Good luck and keep me posted, be glad to know your car is running 100% again.
