The English as a Second Language Placement Exam (ESLPE): If your TOEFL or IELTS score is high enough to enter a certificate program but below 100 on the TOEFL or 7.0 on the IELTS, you are required to take the English as a Second Language Placement Exam (ESLPE) before you begin your program.**

[Undergraduate Program | UCLA Department of Mathematics](#)

Hi! So I took the Math Diagnostic test today, did fine: 94/100. I wish somebody could explain to me what advantages do I get with this score (as in what course I get placed in and what I can skip, excuse me for not being aware), and (not trying to sound vain, sorry) whether or not I need to retake.

[Ucla Extension Calculus Placement Exam](#)

I took the ap calculus ab test and got a 5. I didn't take the calculus bc test. Do I have to take the math placement test? I'm in college of letters and science and it says I qualify for math 31A, but I was planning on changing to college of engineering, and it says I get 4 credits for getting a 5 on the calculus ab test if im in the college of engineering.

UCLA Extension does offer a microbiology course, for non-majors. Note: While only courses marked with the letters "XL" are part of the certificate program, UCLA Extension offers other courses across a wide array of subjects. Some are taught by UCLA professors, but most by grad students or recent masters or PhD / MD graduates.
