Folk Law Labelling Example • Scenario: - Engineer with 2 hrs to end of shift starts a job - It is estimated to take <90mins - In fact this time it proves troublesome - 3 hr job • The choice then is a Catch 22: - 1) Stay on after hours - 2) Hand over a part finished job to a fresh engineer • If an incident occurs due to an misorientated component it would be easy to label as either:

Understanding Records Second Edition a Field Guide to ...

The active phase of the lifecycle may be short for some records (e.g. payroll records' active phase usually is only about two months) and long for others (e.g. a MoU between a field mission and a Host country government may be in its active stage for the entire duration of the mission's operations). All records, however, move through the lifecycle and with time the retrieval rate often ...
