Porting Phone Numbers to Your Answering Service ...

I just set up the home phone connect but now the ringer on my phone does ring so I never know when I get a phone call. The ringer is on on my phone and the no ringing occurs if I have my answering machine off to let the Verizon voicemail pick up or if I have my answering machine on to let my machine grab it.

Verizon Auto Attendant | Verizon Resource Center

02-04-2017 12:59 PM Call customer service at 1-800-922-0204 from a landline or *611 from another Verizon phone and ask them to verify the voicemail feature is on your line and to reset it so you can set it up again. I'm most definitely NOT a VZW employee. If a post answered your question, please mark it as the answer.
