The Devil Comes

easily one of my
favorite short stories
I've ever read. While
this story and some of
the others (Merde,
Neversink, When the

incredibly well-crafted,
I have to admit I found
some of the other
stories disappointing.
Still, it's a short story
collection.

When I like an author
in a drippy, fangirl way,
I feel obligated to
appreciate all their
work as a show of
loyalty.

*cough*Gaiman*cough
* David Benioff's City

Top Five so it hurts to
say things like: "When
the Nines Roll Over is
inconsistent" and
"Benioff doesn't get
