Where To Find It In
Find A Grave - Millions of Cemetery Records. Find A Grave is a free resource for finding the final resting places of famous folks, friends and family members. With millions of names, it is an invaluable tool for genealogist and history buffs.

find - C++ Reference
Linking to other workbooks is a very common task in Excel, but sometimes you might find yourself with a workbook that has links you can't find even though Excel tells you they exist. There is no automatic way to find all external references that are used in a workbook, however, there are several manual methods you can use to find them.

Find your phone - My Account
If you need to find the index of a value, use Array.prototype.indexOf(). (It's similar to findIndex() , but checks each element for equality with the value instead of using a testing function.) If you need to find if a value exists in an array, use Array.prototype.includes() .

Find Your Representative | House.gov
FindTime is an Outlook add-in that allows you to quickly find time to meet with others - something that can take weeks without FindTime! FindTime helps you pinpoint times to meet by looking at available free/busy data for your attendees as well as creating a poll where attendees can vote on the times you suggest, and even suggest new times ...
