Find helpful customer reviews and review ratings for Whirlpool GH7208XRS Gold 2.0 Cu. Ft. Stainless Steel Over-the-Range Microwave at Amazon.com. Read honest and unbiased product reviews from our users.

Whirlpool Gold Velos G2 Convect

Rated 1 out of 5 by realesate from Poorly built PLASTIC componets This product is very poorly built. The bottom of the door of the unit is plastic and IF you cook at all it will crack from the heat from the stove below the unit. The steam or heat will get in through the cracked plastic and go in between the glass front and get into the electrical panel.
