Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Chapter 1. In Whistling Vivaldi, Claude Steele describes the powerful role that stereotypes play in human behavior. He begins by recalling his childhood in 1950s Chicago, and the day when he first truly became aware that he was black. Steele tried to get into a public swimming pool, but was told that the pool was only open to white people that day.

~~Whistling Vivaldi by Claude Steele Plot Summary | LitCharts~~

Whistling Vivaldi, then, is about what it's like to live in a "cloud" of stereotypes, and the ways this cloud influences people's lives. Notice that Staples doesn't defeat the stereotype that black men are violent, or address the underlying cause of his anxiety—racist white people.

He writes about it in his latest book, "Whistling Vivaldi: And Other Clues to How Stereotypes Affect Us." So call and tell us what situations you've had to deal with in which your social identity...

~~Whistling Vivaldi Quotes by Claude M. Steele~~

Since "Whistling Vivaldi" was first published in 2010, it's likely you've read it or at least browsed through it at a bookstore. If not, it's worth a read, both for its important content on the impact of stigma on the stigmatized and its accessible description of a two-decade research process.

~~Whistling Vivaldi: And Other Clues to How Stereotypes ...~~

In his new book, Whistling Vivaldi: And Other Clues to How Stereotypes Affect Us, social psychologist Claude Steele helps us find answers to these questions based on findings from social psychology experiments. Steele's book sets forth an argument for understanding how contextual factors—not individual characteristics or personal beliefs motivated by prejudice or malice—help explain so-termed "racial achievement gaps" in education and ongoing societal racial and ethnic segregation.

~~Author: Stereotypes Shape Our Perceptions And Ourselves - NPR~~

Whistling Vivaldi is yet more evidence that we respond unconsciously to cues in our environment. Claude M Steele provides many detailed examples of how positive and negative stereotypes not only influence perceptions of performance from an observer's perspective; they also influence actual performance from the performer's perspective.
