The national C-section rate is at an all-time high of 31 percent. Are all these C-sections necessary

Your Best Birth: Know All Your Options, Discover the ...

What I like about Your Best Birth, however, is that it actually is what the title says it is - offering expectant mothers all their options and letting them decide how, where, and with whom they would like to give birth. This is a companion book for the authors' documentary The Business of Being Born, which I can't wait to see.
